

REPLIT PROMPT — YachtWorth: Listing Generator

CONTEXT

Build a new screen "Listing Generator" inside the existing YachtWorth app. Entry point: Tools tab → Listing Generator card (currently SOON → change to LIVE after build). This tool uses Claude AI to generate professional yacht listing copy for brokers. Data source: yacht profile from My Yacht (if available) OR manual entry.

OVERVIEW

Broker selects or enters yacht data → chooses listing style and language → AI generates professional listing text → broker copies or exports as PDF.

Three sections:

1. **Yacht Data** — from My Yacht or manual entry
 2. **Listing Settings** — style, language, what to include
 3. **Generated Listing** — AI output, editable, exportable
-

NAVIGATION

Tools tab

- Listing Generator (ListingGeneratorScreen.js)
 - YachtSelectorSheet (reuse existing YachtSelector component)
 - ListingFormScreen
 - ListingResultScreen
-

SCREEN 1: ENTRY

If user has yachts in My Yacht:

LISTING GENERATOR

AI-powered professional listing copy

WHICH YACHT?

 Select from My Yacht ▾

Aurelia · Azimut 24m · 2019

Lady M · Sunseeker 28m · 2021

+ other yachts...

- or -

 Enter yacht details manually

If no yachts in My Yacht:

Show manual entry directly. Small note at top:

 Add your yacht to My Yacht to auto-fill listing details.

SCREEN 2: YACHT DATA FORM

If yacht selected from My Yacht:

Pre-fill all fields from yacht profile. User can edit any field before generating. Show banner:

✓ Data loaded from Aurelia · Edit if needed

Manual entry fields (same fields either way):

BASICS

YACHT NAME *

[_____]

TYPE *

[Motor Yacht] [Sailing Yacht] [Catamaran] [Superyacht]

BUILDER / YARD

[e.g. Azimut, Sunseeker, Ferretti]

MODEL

[e.g. Grande 24M, Predator 74]

YEAR BUILT *

[_____]

LENGTH (LOA) *

[_____] m [switch to ft]

BEAM

[_____] m

GUESTS

[-] 8 [+]

CABINS

[-] 4 [+]

CREW

[-] 2 [+]

FLAG & BASE

FLAG / REGISTRATION

[_____]

HOME BASE / LOCATION

[_____]

OPERATING AREA

[Mediterranean] [Caribbean] [Northern Europe]

[Asia-Pacific] [Middle East] [Worldwide]

PERFORMANCE (optional)

MAX SPEED

[_____] knots

CRUISING SPEED

[_____] knots

RANGE

[_____] nm

ENGINES

[_____] e.g. 2 × MAN V12 1800HP

HIGHLIGHTS — KEY SELLING POINTS

What makes this yacht special?

Select all that apply:

- ☐ Recently refitted / refit year: [_____]
- ☐ Flybridge
- ☐ Beach club / swim platform
- ☐ Jacuzzi / hot tub
- ☐ Stabilizers at anchor
- ☐ Air conditioning throughout
- ☐ Watermaker
- ☐ Starlink / high-speed WiFi
- ☐ Water toys package
- ☐ Large tender
- ☐ Jet ski(s)
- ☐ Professional crew
- ☐ Excellent condition
- ☐ Price recently reduced
- ☐ VAT paid (EU)
- ☐ Available for charter
- ☐ Immediate delivery
- ☐ Survey available

CUSTOM HIGHLIGHT

[_____] (free text, optional)

EQUIPMENT HIGHLIGHTS (from My Yacht equipment if available) Auto-selected notable equipment shown as tags:

[Gyro stabilizers] [Watermaker 400L/hr] [Starlink]
[2 × generators] [Bow & stern thrusters] [Jacuzzi]
[3 × tenders] [2 × jet skis] [Diving compressor]

User can deselect any. Can type to add custom tags.

ASKING PRICE (optional)

ASKING PRICE

[_____] € or [Price on application]

CHARTER RATE (if listing for charter)

[_____] € / week or [Price on application]

SCREEN 3: LISTING SETTINGS

LISTING SETTINGS

LISTING TYPE *

[For Sale] [For Charter] [Both]

LISTING STYLE *

[Professional / Formal]

[Luxury / Aspirational]

[Technical / Detailed]

[Concise / Summary]

LANGUAGE *

[English] [French] [Italian]

[Spanish] [German] [Russian]

LENGTH *

[Short — 150 words]

[Medium — 300 words]

[Full — 500 words]

INCLUDE SECTIONS:

- ☒ Overview / introduction
- ☒ Key features & highlights
- ☒ Accommodation & interior
- ☒ Performance & technical
- ☒ Equipment & systems
- ☒ Charter / price information
- ☐ Call to action (contact broker)

TONE

[Neutral] [Exclusive / High-end] [Friendly]

YOUR BROKERAGE NAME (optional)

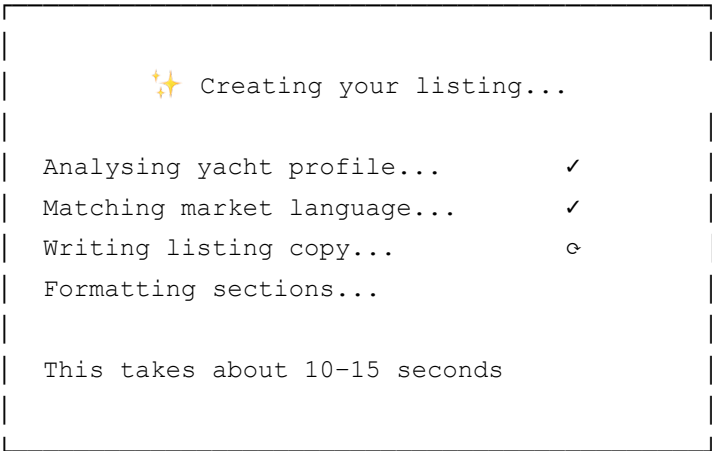

[_____]

(included in call to action if enabled)

CONTACT EMAIL (optional)

[_____]

SCREEN 4: GENERATING (loading)

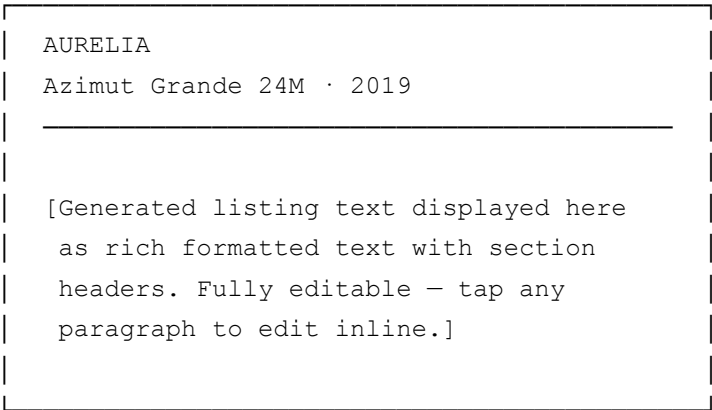

SCREEN 5: GENERATED LISTING

Header:

← back Aurelia · Listing [: menu]
Menu: Regenerate · Edit settings · Save · Share

Generated text display:

Text is fully editable inline — user can tap any section to modify.

Action bar (sticky bottom):

[ Copy all] [ Regenerate] [ Export PDF] [ Share]

Copy all → copies full text to clipboard, shows "Copied!" toast **Regenerate** → calls API again with same settings (generates variation) **Export PDF** → generates branded PDF (see PDF section below) **Share** → native iOS/Android share sheet with text

Saved listings:

Each generated listing can be saved. Access from Profile → My Listings. Saved with: yacht name, date, listing type, first 100 chars preview.

API CALL

```
const response = await fetch("https://api.anthropic.com/v1/messages", {
  method: "POST",
  headers: { "Content-Type": "application/json" },
  body: JSON.stringify({
    model: "claude-sonnet-4-20250514",
    max_tokens: 1000,
    system: LISTING_SYSTEM_PROMPT,
    messages: [{ role: "user", content: buildListingPrompt(yacht, settings) }]
  })
});
```

SYSTEM PROMPT (LISTING_SYSTEM_PROMPT)

You are a senior yacht broker and marketing copywriter with 20+ years experience

You write compelling, accurate, professional yacht listing copy that attracts ser

YOUR WRITING PRINCIPLES:

- Lead with the yacht's strongest selling point
- Use specific details (exact measurements, engine specs, refit year) – never vag
- Avoid clichés: never use "turn-key", "must see", "motivated seller", "priced to
- Avoid hollow adjectives alone: instead of "stunning interior" say "interior red
- Match the register to the market: superyachts = formal and aspirational; sailin
- Be precise about what is included and what is not
- Never invent specifications not provided – if unknown, omit gracefully
- For charter listings: focus on the guest experience, not the technical specs
- For sale listings: focus on ownership experience, investment and condition

STRUCTURE depending on sections requested:

- Overview: 2-3 sentences that capture the essence of the yacht
- Key features: bullet points of 4-8 most compelling attributes
- Accommodation: cabins, layout, finishes
- Performance: speed, range, engines – only if data provided
- Equipment: notable systems, toys, technology
- Charter info: rate, area, season (if charter listing)
- Call to action: contact broker (if brokerage name provided)

LANGUAGE RULES:

- English: British English spelling (colour, harbour, recognise)
- French: formal register, "voilier" not "bateau à voile", avoid anglicisms
- Italian: formal nautical terminology
- Russian: formal business Russian, avoid calques from English

OUTPUT FORMAT:

Return ONLY the listing text, no JSON wrapper needed.

Use markdown: ## for section headers, **bold** for yacht name and key specs, regu

Do not include any preamble, explanation or meta-commentary.

Start directly with the listing headline or first line of the overview.

USER PROMPT BUILDER

```
function buildListingPrompt(yacht, settings) {
  const sections = settings.includeSections
    .filter(s => s.enabled)
    .map(s => s.label)
    .join(', ');

  const highlights = yacht.highlights
    .filter(h => h.selected)
    .map(h => h.label)
    .join(', ');

  const equipment = yacht.equipmentHighlights
    .filter(e => e.selected)
    .map(e => e.label)
    .join(', ');

  return `Write a ${settings.style} yacht listing in ${settings.language}.
Type: ${settings.listingType}
Length: ${settings.wordLength} words approximately
Tone: ${settings.tone}`;
```

```

Sections to include: ${sections}

YACHT DETAILS:
Name: ${yacht.name}
Type: ${yacht.type}
Builder: ${yacht.builder || 'not specified'}
Model: ${yacht.model || 'not specified'}
Year built: ${yacht.yearBuilt}
LOA: ${yacht.lengthM}m${yacht.beamM ? ` · Beam: ${yacht.beamM}m` : ''}

Write the listing now. Start directly with the content.`;
}

```

PDF EXPORT

Generate a clean branded PDF with:

```

<!-- PDF template structure -->
Header: YACHTWORTH · LISTING GENERATOR + date
Gold line

```

Yacht name large (Cormorant Garamond or Helvetica Bold)

Builder · Model · Year · Length

[Yacht photo if available — full width]

Generated listing text with section formatting

Asking price / Charter rate (if provided)

Footer: Generated by YachtWorth · Powered by PDYE Group · [brokerage name if prov

Use same PDF generation approach as charter report (expo-print with HTML template).
System fonts only — no Google Fonts.

SAVED LISTINGS (in Profile tab)

New section in Profile screen: **My Listings**

MY LISTINGS

Aurelia · For Sale · Jun 15 2026

"Azimut Grande 24M represents the pinnacle..."

[English · Professional · 300 words] →

Lady M · For Charter · Jun 10 2026

"Step aboard Lady M and discover..."

[French · Luxury · 150 words] →

Each saved listing:

- Tap → open full listing in result screen
 - Swipe left → delete with confirmation
 - From result screen → regenerate, edit, export
-

SUPABASE SCHEMA

```

```

PRIORITY BUILD ORDER

1. `listingGenerator.js` — prompt builder + API call
2. `ListingFormScreen.js` — yacht data entry form
3. `ListingSettingsForm.js` — style, language, length settings

4. `ListingGeneratingScreen.js` — loading animation
 5. `ListingResultScreen.js` — display, edit, copy, share
 6. `ListingGeneratorScreen.js` — entry + `YachtSelector` integration
 7. PDF export
 8. Save to Supabase + My Listings in Profile
-

MONETISATION

- **Free plan:** 1 listing generation (same as valuation)
- **Pro plan:** unlimited listings, all languages, PDF export
- **Broker plan:** custom brokerage branding on PDF, bulk generation

Show upgrade prompt if Free user tries to generate second listing:

```
You've used your free listing.  
Upgrade to Pro for unlimited listings  
in all languages with PDF export.  
[Upgrade to Pro →]
```

IMPORTANT NOTES

1. No web search needed — Claude generates from provided data only
2. If yacht has no photo → PDF shows yacht type silhouette icon instead
3. Regenerate always produces a different variation — add seed variation instruction to prompt
4. Inline editing: changes saved to local state, not auto-synced to Supabase until user taps Save
5. Language selector: default to device language if available, otherwise English
6. For Russian output: use Cyrillic, formal business register
7. Never invent data not provided — system prompt explicitly forbids this
8. Mark Tools tab card as LIVE after this is deployed

YachtWorth — Listing Generator AI-powered professional yacht listing copy for brokers and owners No web search required · Claude generates from yacht profile data
